A LEGACY OF TRANSFORMING LIVES

For 20 years, God Bless Nigeria, an outreach expression of The House of Freedom, has taken the message of hope and transformation directly into streets, slums and under-served communities in Lagos and beyond.

Under the leadership of Pastor Tony Rapu, the initiative has worked with some of society's most vulnerable, including people recovering from addiction, women and men rebuilding their lives after exploitation, and the homeless, with many stories of rehabilitation, reintegration and restored dignity.

The God Bless Nigeria Rally continues that mission: proving that beyond preaching hope, there is a responsibility to express it through tangible acts of love and service.

Individuals, families and members of the public are invited. As the theme declares, "No Shaking" is a message of confidence, faith and hope in life's uncertainties.
